Talking Points

“We remain dedicated and committed to the same priorities as the Regular Air Force.”

- Lt Gen John A. Bradley

Air Force Priorities

Win the Global War on Terror (GWOT)

- We are an Operational Reserve -- We maintain a combat-ready force
- USAF has engaged in combat for 16+ consecutive years; AFR has been an integral part of this effort
- AFR has 72 hour response to global crisis with a single level of readiness with a full spectrum of combat operations
- Critical to remain ready, resourced and relevant

Develop and Care for Airmen and their Families

- Making hard decisions to balance force structure for right skill sets/mix
- Airmen to accept new organizational constructs and new ways of doing things
- Key is AFR flexibility -- flexible tour lengths allow greater volunteerism, providing unrivaled support to the Air Force
- We must have the core capability to always match the right person to the right job at the right time

Recapitalize and Modernize Air, Space & Cyberspace Systems

- Providing the latest equipment to current and future associate units, in weapon systems across the spectrum from MAF to CAF
- Reserve UE units directly benefit by replacing their older aircraft as the Air Force brings in new iron and sharing them with the Reserve
- Equipment modernization is AFR's lifeline to future readiness
- Higher ops tempo aging equipment at higher rate than projected

“The Air Force Reserve stands in total support of Secretary Wynne and General Moseley in their efforts to recapitalize and modernize our fleet.

We must ensure our warfighting future.

Modernization of our fleet includes aggressive divestment of our legacy platforms to generate savings – savings which will be reinvested. It also clears the way to associate in new mission areas, keeping us relevant as an Operational Reserve, well into the future.”

- Lt Gen John A. Bradley

Force Management Initiatives

- AFR processing MGIB-SR recoupment waiver requests for members affected by BRAC and PBD 720
- May 07: Reduced TIG to retire in grade from 3 years to 2 years for AFR colonels and lieutenant colonels affected by BRAC, PBD 720, or other force structures changes
- FY07 NDAA increased mandatory retirement age for all officers; age to qualify for retired pay remains 60

Top 5 Acquisition Programs for Air Force and Air Force Reserve
